# Lunch Venues : Choose One

## The Peppermill Café :

"We go here often, whether for beautiful eggs benedict for breakfast, pork belly or fish and chips for lunch, or numerous other dishes. The menu is different and everything on it is delicious. Prices are reasonable, ambience lovely and the service unfailingly friendly. It is perfectly situated for all the attractions in the Craggs area, such as Monkeyland, and has a great bonus of some really nice shops on its doorstep. It's child and pet friendly, with gentle goats and a great playground. Do yourselves a favour - go there."

## Newstead Wine Estate :

Our tasting room is very much the way we hope people will think of our farm : welcoming, authentic, intimate. It's a place we want visitors to be able to relax and linger. Like a home, it will evolve, change, and hopefully surprise, depending on the time of day or year. We don't have restaurant-like formalities, but our foods are guided by the season, inspired by the moment, and made from scratch using ingredients that are locally-sourced (often as local as our own vegetable, herb and flower garden) and always fresh, simple and delicious.
